The latest Journal can always be
found at Mr. Wasson's Book Store.

Messrs. R. E. Dunn, S. S. Jones
and C. J. Switzer were admitted to
the bar by the District Court last
week.

The newly elected Assessors met
at the Auditor's office on Thursday,
received their blanks and instruc-
tions, and are now out on the war-
path.

Ten in jail. It is a comfort to
know that there are not eleven.

Dr. Newton is building a new
medical office on State street.

Rev. Mitchell did not occupy his
pulpit last Sabbath, being in attend-
ance on the Presbytery, at Jackson.

There is some talk in the city of
making preparations for Decoration
Day.

Rev. Battelle went to Cincinnati,
last week, to testify before the U. S.
Grand Jury.

In the absence of the pastor, at the
Presbyterian Church, last Sunday, S.
Y. Wasson, Esq., read a sermon.

Mr. William Sherrett, formerly
of this county, is engaged in the fur-
niture business at Ashland, Ky.

Mr. E. R. Hardin's select school,
in Quaker Bottom, closes this week.
They are correct when they speak of
him as "a scholar and a gentleman."

Flowers and colanders are being
shipped to our city in great quanti-
ties. We opine that the market is
supplied in this direction.

Persons who wish to wear their
shoes straight should read Lox's ad-
vertisement in another column.

Mr. William C. Miller returned
from New York on Saturday evening,
having left the city at 9 o'clock Fri-
day morning, making a quick trip.
The illness of counsel caused a sus-
pension of the Tilton-Beecher case,
consequently he did not attend the
great trial. He states, however, that
the prevailing opinion in Gotham is
that Beecher will be acquitted.

Thanks for a copy of the New York
Herald.

We would call the attention of our
readers to the advertisement of Hor-
ace Waters & Sons, headed "A
GREAT OFFER." For a description of
Pianos see the following: "Messrs.
Horace Waters & Sons have made im-
provements in pianos which were
considered pretty nearly perfect be-
fore. By the use of a new scale and
treble, and by making their pianos
square-grained, they have secured the
best tone, the best shape, and the
lowest price at the same time. They
warrant all their instruments for six
years, and give most liberal facilities
to those who wish to pay in install-
ments.—Examiner and Chronicle,
N. Y."

The Messrs. Browns have let out
the contract of building a low water
boat to be run between this city and
Syracuse. She is to be 105 feet long,
and to be completed by the 20th of
July. Messrs. Enos, Hill & Co., of
this city, will furnish the machinery.

GEN. GROSVENOR, MARTIN HAYS,
J. P. BRADLEY, F. C. RUSSELL and
Col. Coffey were on our District
Court last week. The last named is
in poor health, but has all the humor
and geniality of the long ago.

The April term of the Common
Pleas Court meets in this city next
Monday. The probabilities are that
the Grand Jury will have big work.
Judge HENARD will preside.

Dr. R. D. JACOBS, of Vinton, was
appointed the Gallia county member
of the Sanitary Committee by the
Medical Association which was in
session at Middleport last week.

A LETTER from Mrs. JULIA M. JEN-
KINS, of Green Bottom, West Va.,
states that her husband, Dr. W. A.
JENKINS, is not dead, as stated by us
a few days since. The Dr. is at a
private institution in St. Louis under-
going treatment. In common with
his family and many friends, we wish
him an early and permanent recovery.

H. L. SHELLEY, Esq., of Marietta, was
in the city last week. Washington
county, it is understood, will present
the name of Mr. S. for Judge before
the coming Republican convention.
He is worthy of the honor.

Our city was stricken with grief,
Sunday morning by the announce-
ment of the death of Mrs. SARAH
ANN HUTSPILLER, wife of Capt.
JOHN HUTSPILLER. It was sudden
and unexpected. Saturday night,
about 10 o'clock, she complained of
feeling unwell, and Dr. SANX's as-
sistance was immediately summoned,
but before he reached her residence
she was dead, expiring in her chair.
Heart disease is supposed to have
been the cause.

The deceased was the daughter of
the late CALVIN SHEPARD, one of the
early settlers of Gallipolis. She was
born on the 9th of April, 1817, and
on the 10th day of October, 1845,
was united in marriage to Capt. JOHN
HUTSPILLER. It was the occasion
of a double wedding, the late ROBERT
BLACK being married at the same
time and place. Now, both families
are broken in upon by death, in the
one case the husband being taken,
and in the other the wife.

Mrs. HUTSPILLER was an estimable
lady, kind and loving, in the fam-
ily circle, in the social circle, every-
where; following with sincere and
earnest devotion in the steps of the
Master up to that blessed home where
Christian character finds its great and
sure reward. Early in life she united
with the M. E. Church, of which her
father was one of the first members
in Gallipolis.

The funeral services took place
Tuesday afternoon, at the family
residence, conducted by Rev. BAT-
TELLE. The attendance was large,
showing respect for the dead, and
sympathy for the living.

Council Last Night.

Barley absent. Bills aggregating
\$151.65 were presented and allowed.
The Mayor recommended the old po-
lice force, and D. C. Cowden and J.
H. Morgan for members of the Board
of Health. Phillip Leppert and
Isaac R. Langley asked by petition to
be placed on the police force. D. C.
Cowden and W. K. S. Hall asked by
petition to be appointed wharfmaster.
D. C. Cowden was re-appointed
wharfmaster; to be paid 5 per cent.
on wharfboat collections, and 15 per
cent. on all others; Pool voted no, the
other members yes. This is Mr.
Cowden's fifth year. D. C. Cowden
and A. Vance were re-appointed
members of the Board of Health.

The appointment of policemen
was postponed until next meeting, it
being the intention of the Council to
reduce their salaries for the coming
year. The following supervisors were
appointed: No. 1, C. D. Bailey;
No. 2, J. A. Rodgers; No. 3,
W. H. McCormick; No. 4, — Bark-
hardt; No. 5, Wm. Walker; No. 6,
A. McEllan. A report of the
Cemetery Trustees was received and
their action indorsed. The report
shows that the Trustees have \$640
remaining unexpended in their hands.
The bonds of the newly elected offi-
cers were received, approved and
filed. Considerable talk concerning
paving rock on Second street where
Blazer & Son are now grading. A
rough estimate of the cost is \$750.
No action taken. Adjourned one
week.

The general Major N. H. HOTCH-
KISS, of the C. & O. R. Road, was in
the city last week. By the way,
this road offers our people superior
facilities for communication with the
East, as well as the South. By boat
either to Huntington or Seary,
which are of daily accommodation, a
very pleasant and expeditious route
is opened to all points East and
South.

Mrs. S. R. MCCORMICK, of Green
township, has a flock of 16 sheep.
Seven ewes in the flock, this Spring,
gave birth to twelve lambs, 5 out of
the 7 having twins. This is extraor-
dinary.

CAPT. JAMES CAMPBELL delivered
to Mr. Newton, the butcher, on Mon-
day, a four-year-old beef, weighing
2130 pounds. Green township has
good farmers, as well as good men.

Our kind friend, Mrs. LEOPOLD
FRANK, has furnished us with some
Easter unleavened bread. We have
been indulging, and find we don't
make a bad Jew in this direction.

The "Tennesseans" had a good
house on Monday evening, and gave
entire satisfaction.

Neighborhood News.
McArthur is engaged in an effort
to raise sufficient means to complete
the Railroad from Vinton Station to
Karns Sugar camp. It will require
about \$30,000.

The Republicans of Scioto county
will hold their county Convention
May 31st.

The Hon. George Johnson, mem-
ber of the Ohio Legislature, and
President of the Portsmouth Na-
tional Bank, died in that city on the
14th. Mr. Johnson was a promi-
nent citizen, a leading attorney, and
had been a bank officer for thirty
years.

The Odd Fellows of Pomeroy and
neighboring towns are making ex-
tensive arrangements for celebrating
the anniversary of the founding of
the Order in the United States,
April 26th. Middleport is the place
selected for the celebration, which
will take the form of a oyster picnic.
Dances from Ravenswood to Gall-
ipolis have been invited, and most of
them have accepted their invitation to
participate.

Gen. Godman is investigating the
county affairs of Scioto county.

ing costs to pay over residue to her.

Thanks.

To my many friends in Gallipolis
and vicinity and citizens in general,
I desire to express my heartfelt
thanks to you for the liberal patron-
age you have bestowed upon me dur-
ing the few months I have been with
you in the practice of the Dental
profession. Your patronage has sur-
passed my most sanguine expecta-
tions. And as Spring is now invig-
orating all nature, may our souls be
more and more invigorated to love,
duty and congenial help toward our
fellow beings in our various spheres
and occupations. And for myself,
I have no flattering offers to make;
as eighteen years' experience in the
profession in all its departments has
taught me there is still more to
learn; but will, as always heretofore,
do the very best I can for any and
all who may trust themselves in my
care for any Dental operations, or
operations in Oral Surgery.

Knowing the rapid strides the Den-
tal art has made within the last few
years, and is still making in the civil-
ized world, and especially in America,
I will still try and keep in pace and
give any and all the advantages of
the same, with a cordial welcome and
satisfactory treatment, by having for
my watch-word—as I have had all
through life—the motto "MORE EX-
CELLENCE."

Again I heartily thank you, and
ever believe me,
Yours, truly,
A. BADGLEY, M. D.,
Dentist,
Gallipolis, April 16, 1875.

There never has been such a
complete stock of CARPETS, and at
so LOW PRICES, as can be seen at
the Carpet Room of
GEO. W. COX.

"No Trouble to Show Goods"
Is the favorite motto of a certain
house. But when a person looks at
his goods, and then buys at Moch's,
because his goods are better and
cheaper, he subjects himself to an as-
sault.

Call on the subscriber for your
goods, where you can buy or look
at them in peace, and where you can
get better goods and at less prices
than elsewhere in the city.
A. MOCH.

JOHN DAGES is selling Hats
less than were ever offered
before in Gallipolis.

Are you going, Tady?
To get a pair of cheap Boots and a
Hat? Oh! I thought you were going
to BAILEY & RIDENOUR'S Store. And
fare am I going but there? PAT.

Charles Lamb, Essayist, de-
scribed all spirituous liquors as "Wet
Dumplings." Poor fellow; he knew
whereof he spoke, by sad experience,
and if living, would apply the same to
Alcoholic Excitants, advertised as cer-
eals. But there is one Food and altera-
tive excipient—the best the world has
ever known—which contains no alcohol.
It is DR. WALKER'S CALIFORNIA VINI-
GAR BITTERS. [April 1—1w]

The People Want Proof.
There is no medicine prescribed by
Physicians, or sold by Druggists, that
carries such evidence of its success and
superior virtue as BOSCHER'S GERMAN
SWEET for Severe Coughs, Colds settled
on the Breast, Consumption, or any dis-
ease of the Throat and Lungs. A proof of
that fact is that any person afflicted, can
get a Sample Bottle for 10 cents and try
its superior effect before buying the
regular size at 75 cents. It has lately
been introduced in this country from
Germany, and its wonderful cures are
astonishing everyone that uses it.
Three doses will relieve any case. Try
it. Sold by all Druggists. [cowly]

Centaur Liniments
Have cured more wonderful cases of rheumatism,
aches, pains, swellings, frost bites, cat-
breasts, burns, scalds, salt-rheum, &c., upon the
human frame, and strains, sprains, galls, &c.,
upon animals, in one year, than all other pre-
sented remedies have since the world began.
Certificates of remarkable cures accompany
each bottle, and will be sent gratis to any one.
There is no pain which these Liniments will not
relieve, no swelling they will not subside or
lameness they will not cure. This is strong
evidence, and it is true. No family or stock-
owner can afford to be without Centaur Lini-
ments. While Wrapper for family use, see
Yellow Wrapper for animals. Price 25 cts. per
bottle. Sold by J. B. RUSSELL & CO., 25 Broad-
way, New York.

Castoria is more than a substitute
for Castor Oil. It is the only safe article in ex-
istence which is certain to regulate the bowels,
and induce a healthy natural sleep. It is
pleasant to take. No more sleepless mothers
or crying babies. Price 30 cts. per bottle.

All wishing Wall Papers
and Curtains, will find it greatly to
their advantage to call on WILL C.
HAYWARD, who is just now opening
the most beautiful stock ever shown
in this market, which will be sold at
a great reduction on last season's
prices. Call and see his stock and
prices, and you will be convinced that
none can do better.
